

NOTICE

Enclosed please find D.Kan. Rule 7.2 which was inadvertently omitted from the March 2004 edition of the Rules of Practice and Procedure for the District and Bankruptcy Court of the United States District Court for the District of Kansas. Also enclosed is the corrected text for D.Kan. Rule 83.7.

Because of the delay in the dissemination of these rules the deadline for application to the Bankruptcy Court's Bench-Bar Committee has been extended to June 1, 2004.
