On September 24, 2012, a jury returned a verdict in favor of defendants in the Kansas cases, Wilson v. Ampride, 06-2582 and Am. Fiber v. BP Corp., 07-2053. See Verdict (Doc. #4422) filed September 25, 2012. In light of this development, the Court plans to proceed with cases remaining in this MDL proceeding with an ultimate goal to resolve or remand all cases by the end of 2013. Toward that end, the Court sets the following schedule:

On or before **October 3, 2012**, with respect to each case remaining in the MDL proceeding, the parties shall jointly file an agreed fact sheet which states the following information:

- Case caption and number.
- Court from which it was transferred and name of presiding judge.
- Names of all parties.
- Causes of action asserted in the case.¹
- Pending motions.
- Potential effect, if any, of pending settlements.

In addition, the parties shall jointly file a chart which breaks down the cases on a state-by-state basis. For each state, the chart must include the cases which assert claims on behalf of plaintiffs in that state and the specific state claims asserted in each case.

¹ With respect to any statutory claims, the parties shall attach copies of relevant statutes and any state stock jury instructions regarding the elements of said claims.

On or before **October 8, 2012**, the parties shall file a proposed plan regarding how the Court should proceed with resolving the remaining cases, including a proposed agenda for the Court's status conference on October 10, 2012.

On **Wednesday, October 10, 2012, at 9:00 a.m. in Courtroom 476**, the Court will hold a status conference regarding plans for proceeding forward with the MDL cases. In addition to liaison counsel, counsel in all constituent MDL cases must attend. By **October 8, 2012**, liaison counsel shall notify the Court of the names of people who will attend the conference.

In addition, the Court will hold status conferences on the following dates:

- Friday, November 9, 2012 at 2:00 p.m.
- Friday, December 7, 2012 at 10:30 a.m.
- Thursday, January 10, 2013 at 9:00 a.m.
